

# Instructions for the fundraising organiser

## Promoting safety and skill development for all children!

Let us help you run an easy fundraiser for your school, kindergarten or organisation!

The Kiddies Food Kutter and Safety Food Peeler promotes healthy cooking and eating, development of hand-eye co-ordination and fine motor skills, sensory skills and builds kids' self esteem and independence. Our Kiddies Safety Scissors are perfect for also developing motor skills and encouraging creativity.

All products are suitable for left or right handers, and those with a disability or special needs.

## Just 4 simple steps to fundraising success.

- 1 Distribute fundraising drive order form to your group's parents or members
- 2 Summarise the orders on our Order Form and email it back to us (no minimum order quantity!)
- 3 We'll email you an invoice. Payment is via EFT or credit card (sorry, no cheques)
- 4 We'll post the products to you as soon as remittance/payment has been received, for you to distribute to your buyers (sorry, we don't post individual orders). We will provide you with a price for postage when you finalise your order (we only charge you what it costs us!)

## Pricing (note: prices in \$NZ dollars).
